

# Family Gathering

Remember the last family get together where all the folks sat in a circle and talked about walking five miles to school up hill both ways? Make the next family gathering a bit more interesting.

## Points

Have someone spell "Tornado"	10	_____
Someone talks about being in a severe weather situation	30	_____
Convince someone to imitate a thunderstorm, flood, or tornado. <i>Use sound fx</i>	50 5	_____ _____
Hear someone blame the weather on El Nino or La Nina	15	_____
Spark a discussion on how to avoid heat exhaustion	40	_____
End a conversation by explaining how you can help heat exhaustion victims with a drink that has electrolytes <i>Do this in your best impression of a sports drink commercial</i>	10 15	_____ _____
Anyone in the room knows or has met a storm chaser	20	_____
Catch someone talking about "golf-ball sized hail"	10	_____
Someone says "It was a dark and stormy night..."	15	_____
Hear something close to "the wind was so strong, it blew my toupee off"	40	_____

## Total

\_\_\_\_\_

Try to get as many points as you can by accomplishing the objectives above before the get together is over. You only get points if people who don't know about the game and aren't playing are the ones who do the objectives. Challenge a friend and see who can get the most points.
