Now put the words in the right places. Read. Enjoy.

The KW2D character was relaxing one afternoon when he fell asleep. He then began to dream _____ 1

about impossible weather situations. In his dream, he was walking in a _____ 2 when a(n)

_____ 3 tornado jumped down only _____ 4 feet away! He ran the other direction seeking a

low lying area for safety. Suddenly, he stumbled into a(n) _____ 5 cave. Thinking nothing of it, he climbed

out and found himself in a new area. He started to explore when _____ 6 it started to rain harder than he

thought possible. Worrying about the possibility of a flash flood, the character pulled a remote control airplane out of

his emergency kit, sat on it, and flew off into the _____ 7 sunset.
